## FROM US ...

There are pictures—of our building . . . of those who have taught us and worked with us . . . of the seniors, the graduates of 1960 . . . and of the juniors and sophomores . . . at Miller Senior High . . .

There is copy . . .

There are events, and the personalities that have made them . . .

There are moments that we shall never forget . . .

There are thoughts, longings, wonders, regrets, and memories.

In this book are all these.

We studied . . . in the peace and quiet of the library.

THIS —
OUR
YEAR..

We searched diligently . . . through stacks and stacks of magazines for information . . . themes . . . essays.

We tried to study ... as Privileged Seniors, but we were tempted . . . to nibble ... gossip . . . chat.

We had fun ...

as we cut letters . . . pasted . . . painted . . . and then we admired those eye-catching Guidance bulletin boards. Remember?

#### We learned by experience and practice

We were guinea pigs . . .

in Chemistry as new methods—thirty minutes of film every day—were tried on us!

in Homemaking as we tried to learn the art of making corsages . . . and flower arrangements.

and in American History as a Miller graduate, now a college senior, did her practice teaching.

We had interrupted classes ...

we had fire drills . . . sometimes with planned blocked exits. We'll remember the pounding, the noise, the disturbance as the building was made safe . . . but we can't miss those exits now . . .

We went outside ...

for Gym . . . on all days . . . in the hot and in the cold . . . for soccer, hockey, and exercises!

We used and enjoyed new equipment. In the business, science, and languages departments we had wonderful new equipment—typewriters, record players, tape recorders, microscopes, charts, . . .

Tatum and her parents admire a beautiful box of bugs . . . ugh! . . .

We had Open House

We won!...
We played the faculty in volleyball . . . The game was much more exciting than that score showed!

Our parents and friends—they all came on November the twelfth.

That night the exhibit of Beta Club was a popular spot.

 $\ldots$  . As we teased  $\ldots$  , joked  $\ldots$  , listened  $\ldots$  , waited our turns at the telephone.

Purple sheets! When we saw teachers form that line at the ditto machine . . .

We lived in suspense . . .

and smiles as girls were tapped for Beta.

We'll never forget those squeals, tears of joy,

We sketched, we measured, we painted; we had about us both the curious and the critical as we worked on scenery for the play.

Then we murdered a classmate!

It all happened so realistically in our Senior play . . . (but we really did not).

DR. H. G. WEAVER is president of the Board of Education.

MR. MALLORY C. ATKINSON vice-president

MR. WALLACE MILLER, JR. secretary

MR. W. P. SIMMONS treasurer

#### ... The members of our board . . .

We are delighted to show you these outstanding business-men, known for their executive ability . . . who devote untold hours spent in an effort to give every opportunity for education to us in Bibb County.

We usually think of them . . . on the second Thursday of each month . . . at the Board of Education office . . . but we show each of them in a pose typical of his committee work.

Mr. W. A. Fickling, Sr. . . . Rules and Regulations . . . reviews the manual. Mr. Frank M. Willingham . . . Textbooks and Courses of Study . . . is thoroughly familiar with texts studied.

Judge Oscar L. Long . . . Transportation . . . inspects new buses.

Mr. C. C. Hertwig . . . Operation of Plant . . . checks equipment for the school system.

Mr. A. S. Hatcher, Jr. . . . Instructional Services . . . knows and supervises all supplies.

Mr. Julius Gholson is superintendent of the Bibb County School System, and Mr. Lloyd Newberry is assistant superintendent.

#### who give untold hours . . .

Mayor Edgar H. Wilson is an ex officio member.

Mr. G. P. Rankin, Jr. . . . Maintenance of Plant . . . closely watches progress made in construction of classrooms and new buildings.

Mr. R. A. McCord . . . Special School Needs . . . is at Glen Cove, site of a future school.

Mr. H. T. Birdsey . . . Vocational Education . . . can well be happy over progress shown in this field of education.

Judge W. C. Stevens . . . Military and Athletics . . . approves new equipment for use in the schools.

One whom we honor

by dedicating to her our annual

because she's always smiling, friendly, and ready for fun  $\dots$ 

because we admire so many qualities in her —

her ability, thoroughness, and the speed with which she accomplishes whatever she does,

her well-groomed appearance and interesting personality . . .

because we know her cooperative nature

because we respect her, so small, and young in spirit

and because she seems to be one of us.

This is Mrs. Charles L. Stewart.

#### And one . . .

#### whom we respect

for his genuine concern for the welfare and happiness of his girls . . .

for his inspiration and guidance . . .

for his wisdom and willingness to share it .

for his convictions and the strength to stand by them . . .

for his dignity, quiet forcefulness, understanding, and friendliness.

This is our principal,

Mr. H. S. Lasseter.

It may be late in the afternoon . . . but . . . before he leaves his office, he usually stops by to talk to groups meeting after school. We just expect him then . . . enjoy him . . . and get to know him better.

It may be basketball, soccer, hockey . . . or any of the other sports . . . but Mr. Lasseter is usually there . . . watching . . . and . . . enjoying a good game.

# In this department are Mrs. Frank Miller, Miss Catherine Jones, Miss Addie Funderburke, Miss Yonah Hurt, Miss Lucile Carswell, and Mrs. Ann Martin Holmes.

#### Psalm 121

I will lift up mine eyes unto the hills, from whence cometh my help.

My help cometh from the Lord, which made heaven and earth.

He will not suffer thy foot to be moved: he that keepeth thee will not slumber.

Behold, he that keepeth Israel shall neither slumber nor sleep.

The Lord is thy keeper: the Lord is thy shade upon thy right hand.

The sun shall not smite thee by day, nor the moon by night.

The Lord shall preserve thee from all evil: He shall preserve thy soul.

The Lord shall preserve thy going out and thy coming in from this time forth, and even forevermore.

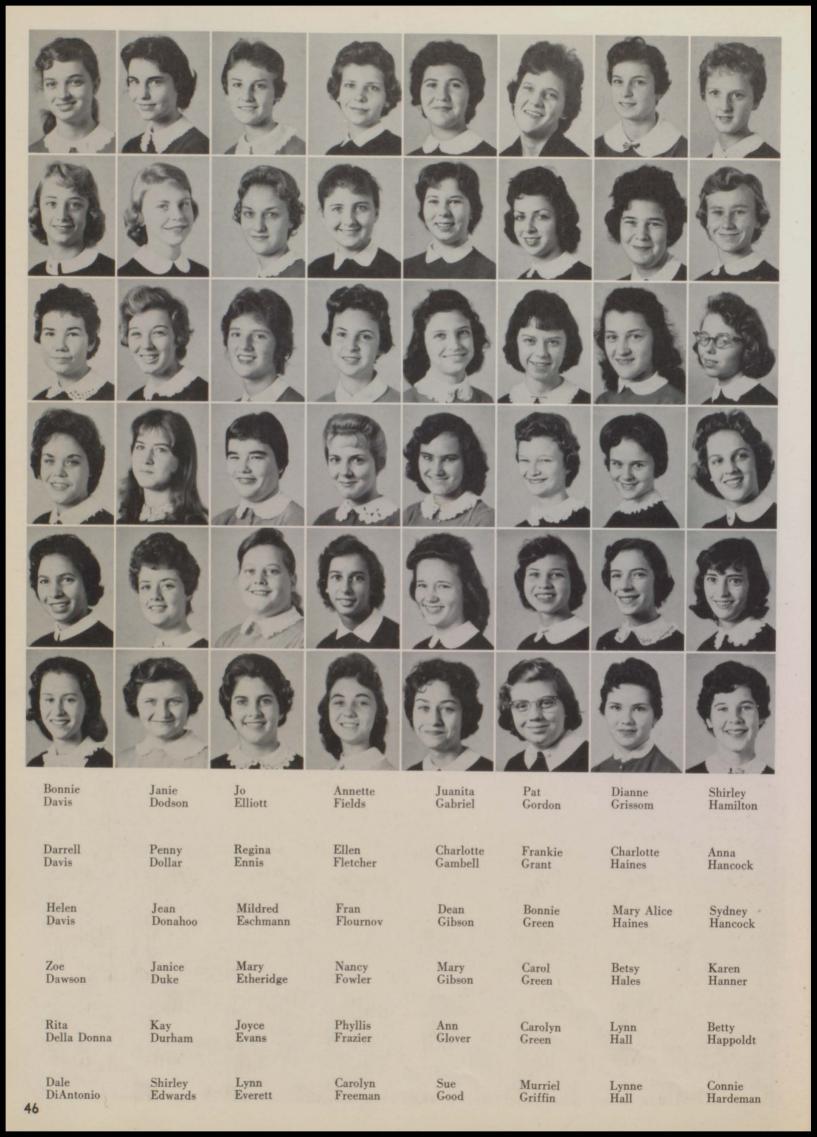

Leading the Junior Class are Lynda Jones, director; Judy Miller, director; Lynn Everett, secretary-treasurer; Curry Harrison, president; Peggy Martin, vice-president; and Mary Anne Houser, director.

### FOREWORD

An annual is a book of memories — the record of a year of memories. Here are the familiar faces, the familiar scenes. Here is Lanier in the year 1959-60. There is much that is intangible, that cannot be set forth in pictures, but the pictures serve as a reminder of those intangibles. As the inevitable years pass and the scenes change, may this book always bring to your mind your best days at Lanier.

The Color Guard symbolizes all that R.O.T.C. means to us: patriotism, precision, neatness, discipline, loyalty — and the admiring glances of feminine friends. The members of the Color Guard are: Bobby Patterson, Jimmy Cooper, Ronnie Rankin, and Ronnie Jump.

Words of advice and inspiration, music and entertainment— Student Council sponsored programs bring them all to us throughout the year.

Lanier riflemen fire a salute in honor of the Confederate dead.

Everybody loves a football parade—especially one with pretty candidates for homecoming queen riding in convertibles.

The library is an unforgettable place. He who enters by the wrong door will return to enter again, but he who really wishes to study is grateful for an atmosphere of orderliness and quiet.

The fairest of them all: Homecoming Queen Miss Emma Jo Jones and her attendants: Miss Betty Sweet Simmons, Miss Susan Patton, Miss Nadyra Mitchell, and Miss Linda Southerland.

Guard Wayne McMillan, symbol of a team spirit that grew as the season progressed

Not seventy-six trombones, but a big brass band. The practice may be tiresome, but the music is sweet. We like our band.

Lanier takes pride in the National Merit Scholarship semifinalists in each senior class—a total of twenty-eight since 1955. This year's high scorers are: Ralph Small, Harold Lavine, John Blanks, Walton Smith, Wayne Bowers, David Baker, and Sam Wood. Guidance Counselor J. A. Gratigny is seated in the center at the desk.

Students visiting schools in other towns return more impressed than ever with our good behavior, good food, and attractive lunchroom.

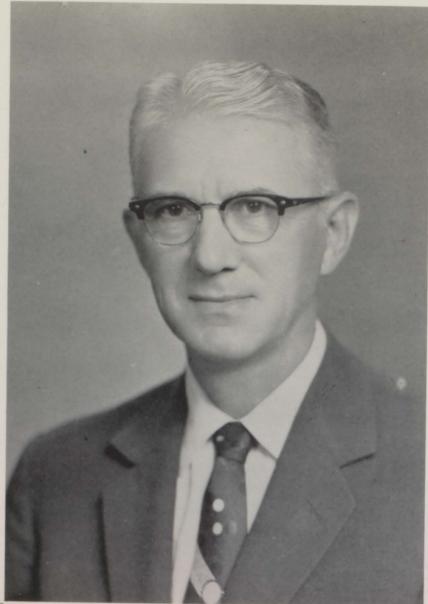

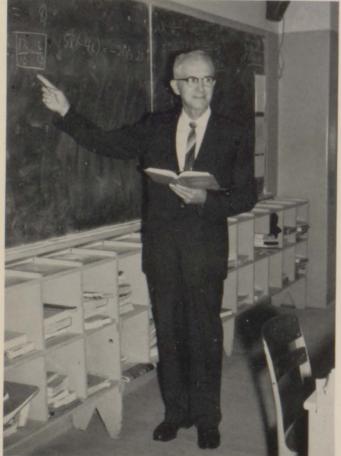

# MR. J.·C. SORRELLS THE MAN AND THE TEACHER

The first thing that a student learns about Mr. Sorrells is that he is a quiet and gentle man, a "gentleman" in the true sense of the word; for in his quietness there is strength, and in his gentleness a true concern for others. In his years of service at Lanier Mr. Sorrells has taught mathematics — algebra, plane geometry, trigonometry, and solid geometry. His former students, many of them now parents of the boys he teaches today, hold him in high regard, remembering him as a wise and good teacher who somehow manages to inspire each student, the brilliant, the slow, the scholar, and the dullard, to work to the highest level of his capabilities.

Throughout the years of his teaching Mr. Sorrells has performed many extra duties with the same quiet ease he displays in the classroom. His vigilance in the lunchroom keeps it an orderly, pleasant place. His work as adviser for the annual for twenty-seven years, from 1932 to 1959, represents a tremendous contribution of time, patience, and energy, but Mr. Sorrells worked so unobtrusively and efficiently that many of the students and faculty were scarcely aware of his efforts. He has never sought praise or recognition, for he is that rare person who works only for the satisfaction of a job well done.

The seniors of 1960 salute you, Mr. Sorrells, and dedicate this yearbook to you with gratitude and affection.

Benjamin Franklin's secret of success: "I will speak ill of no man, and speak all the good I know of everybody."

We hope that the years you have spent at Lanier have prepared you to meet the challenges of the various paths you will encounter and that they will guide you in the choices which you will make.

If you have learned to think before you choose and to win or lose without destroying your sense of values, you are becoming a responsible adult.

The future is unlimited for each of you. It will be what you make it. Remember that you gain in proportion to what you give to the world and your fellow man. Set your goals wisely and work hard. You will attain the success and the satisfaction for which you strive.
